

## AFRICA'S STRONGEST BURGLAR PROOFING. PROUDLY AVAILABLE IN NAMIBIA!

Trellidor is the home of Africa's strongest burglar proofing. We manufacture a wide range of security grilles including elegant options to compliment contemporary architectural styles. These modern designs are ideal security solutions for Namibia's residential estates and offices, providing sophisticated protection.

### TRELLIDOR SECURITY SHUTTER

Trellidor Security Shutter has been designed as a genuine security barrier with internal strengthening features and all the advantages of a good looking louvre shutter. They are made from aluminium and are fitted with a Trellidor patented locking system. Use them to replace curtains, blinds and burglar grilles in one stylish product. They're also ideal for doors and patios.

### TRELLIDOR CLEAR GUARD

Made from a high tensile woven stainless steel mesh panel with an aluminium frame, Trellidor Clear Guard is neat, strong and see-through. The mesh screen filters out the sun's harsh UV rays, helping to moderate internal temperatures while still allowing some airflow into the home. Use it to protect doors, windows, patios and other openings.

We've been helping to keep people safe and secure for over 40 years, so visit our showroom and find out why Trellidor is the original Ultimate Crime Barrier!
