SECURE.**

TRELLIDOR®

THE ULTIMATE CRIME BARRIER

The new Trellidor Security Shutter is a winner if you're looking for an aluminium louvre-style shutter that looks good and has the strength of a reliable security product. We've built in purpose-designed strengthening features as well as a patented Trellidor locking system. Sleek, elegant and contemporary, they provide excellent protection whether the louvres are open or closed.

Visit our showroom to experience our security innovations for yourself.
